Western Weekly:

12th December 2014

Colleagues,

Busy week by all, we attended Aldershot to conduct a joint Force operation in relation to Conspiracy to hare course, three arrest warrants were executed and three arrests made. The investigation is still ongoing and it is likely that we will be progressing this investigation well into the New Year.

This week the team received trained on using Hampshire Alert, so we are keen and ready to start adding the below incidents directly onto the live alert system.

Kind Regards

Scott Graham
