No appeal decisions.

**Tree Work Decisions**

No tree decisions.

## 9. To consider new Planning Applications

22/10437	28 SHAFTESBURY STREET, FORDINGBRIDGE SP6 1JF	- Tygwin Limited
Use of an existing building as residential; detached dwellinghouse, with associated parking and landscaping		
<p>Cllr Anstey presented this application for the existing building to be converted into a three-bedroom residential dwelling and for a new detached two-bedroom dwellinghouse to be built.</p> <p>Representations were made to the meeting from a trustee of Avonway Community Centre and also another neighbour, both objecting to the application on the grounds of loss of privacy and loss of light.</p> <p>Cllr Hale proposed and it was seconded by Cllr Perkins and therefore RESOLVED: to recommend REFUSAL under PAR4. The conversion of the existing building will be a loss of employment space in the town. The new build is an overdevelopment of the area and will have a major impact on surrounding properties. All in favour.</p>		
22/10460	14 SHAFTESBURY STREET, FORDINGBRIDGE SP6 1JF	Mr & Mrs Clare
Single-storey detached carport /garage		
<p>Cllr Hale presented this application.</p> <p>Cllr Wilson proposed and it was seconded by Cllr Adams and therefore RESOLVED: to recommend PERMISSION under PAR3 as there will be no effect on either the neighbours or the tree.</p> <p><i>[The applicants left the meeting]</i></p>		
22/10265	49A SALISBURY ROAD, FORDINGBRIDGE SP6 1EH	Mr Holton
Single-storey extension; existing garage roof altered		
<p>Cllr Paton presented this application.</p> <p>Cllr Earth proposed and it was seconded by Cllr Paton and therefore RESOLVED: to recommend PERMISSION under PAR3 as it will improve the applicant's way of life and there is no impact on the neighbours.</p>		

## 10. To consider new Tree Works Applications

Members considered the following applications.

**Case Ref:** TPO/22/0207  
**Proposed Works:** Ash x 1 Fell  
**Site Address:** Woodcroft, 47 Station Road, Fordingbridge, SP6 1JW

## 11. To consider any Licensing Act 2003 applications

No licensing applications.

## 12. To consider a response to the draft revised Hyde Village Design Statement

The Clerk reported that the Hyde village design statement has been updated. He outlined the updates and reported that they do not conflict with NPA Planning Policy.

Cllr Paton proposed that Fordingbridge Town Council support the revised Hyde village design statement with no further comment.

### **13. To note any items of correspondence**

#### **Strategic sites update**

A strategic sites update has been received – please see appendix.

#### **Article 4 Direction - Campsites**

Following approval by the National Park Authority at its meeting on 24 March 2022, the non-immediate Article 4 Direction to remove permitted development rights (Schedule 2, Part 4, Class B) for larger and all new temporary campsites has now been confirmed. This Direction will come into effect on 30 September 2022.

#### **Parking Standards**

New Forest District Council (outside of the National Park) adopted the Parking Standards Supplementary Planning Document (SPD) on 6 April 2022.

### **14. To receive a report from the Clerk or any other relevant planning business**

Cllr Wilson asked that a meeting be arranged to discuss the ownership of Strategic Site 16.

***Action: Clerk to arrange meeting***

### **15. To note the date of the next meeting as Wednesday 8<sup>th</sup> June 2022**

The meeting closed at 20.09pm.

**APPENDIX**  
**Strategic Sites Update (May 2022)**

**FORD 1 – Augustus Park, (Land East of Whitsbury Road), Fordingbridge SP6 1NQ**

**Planning Permission Ref: 17/10150 – 145 dwellings**

**Developer: Pennyfarthing Homes**

The new highway footpath along Whitsbury Road, adjoining the entrance to the site, has commenced construction. This is being overseen by Hampshire County Council, using their contractor. Traffic controls will be in place whilst this work is being under taken. The plan to remediate the bio-retention pond has been submitted to NFDC by the Developer, as agreed. The Eastern and Southern sections have been re-profiled and a post and wire fence installed on the steeper sides of the pond to provide a barrier while the new planting is developing. The whole area is looking much better. Meadow seed is due to be sown in the area to the Eastern side of the pond which will add to the biodiversity and create a more natural feel.

The spoil heap in the agricultural land adjoining the Northern end of the site has been reduced in height by reprofiling, and by spreading out the soil in the area available. This has improved the outlook drastically. Wire and post fencing has been installed on either side of the footpath and the level of the footpath has been raised. All as agreed in the recent site meeting. The Planner for this site has stated that this area is now satisfactory. The remedial work to the allotments is being carried out. The contractor has used a 'mole drain' across the area, which puts air back into compacted soil. They were levelling off the area when I visited site, ready to carry out a 'soil rip' in two directions. This is another method of getting air back into the soil ready for the plots and pathways to be marked out and created.

The central square area located where the welfare units and offices used to be is also due to have a soil rip shortly then it can be planted up.

Most of the planting has now been carried out, although there are some trees that are due to be planted at the Northern end of the site.

The school parking places are now completed at the edge of the Eastern SANG and the required grass areas have been seeded.

The gabion baskets have been installed along the swale in the Eastern SANG. The 'made up' areas around these baskets will require seeding.

A section of the swale (ditch), part of the SUDS (Sustainable Drainage System) has had some remediation works carried out. These will be inspected fully once they have been completed.

The Southern play park gate still requires remediation.

There has been a delay with the transfer of the bin emptying contract across to NFDC and the Developer is still currently liable for this. I contacted them yesterday as we have had a complaint about bins not being emptied. They are sending someone to site again to make sure that everything is satisfactory. I will add this back onto my list of checks when I visit site until the transfer occurs.

Regular monitoring of this site by the Site Monitoring Officer will continue in the short and medium term.

FORD1 – Occupation Status – 1<sup>st</sup> May 2022

**Occupation Status**

- Not commenced construction
- Under construction
- For Sale

- Reserved
- Exchanged
- Occupied/Completed
